

Kindergarten Supply List

Welcome to kindergarten! We are so excited to begin a new school year with you. The following is a list of supplies that students will use throughout the year. Donations of the following items would be appreciated. These supplies will be used on a community basis, *(please do not label anything with your child's name)*. We have underlined the brand name when it is important to us to have the exact brand of a certain supply. This helps us have the quality materials we need and helps us give all students access to the same exact shared supplies. You may bring these supplies to your child's testing appointment, back to school night, or once school begins.
