

Welcome to Third Grade!!!

We are excited to have your child in third grade at Golden Fields. During this unusual time, we are encouraging your child to have all their own supplies. These supplies will not be shared with other students and will need to be replenished throughout the year. Please use a permanent marker and label all supplies with your child's name. We would like you to pay attention to the brand of supplies we are asking for. We only asked for brand names on supplies that we feel like really make a difference in how they perform. As a team, we are grateful for your support in helping to make the school year a success. We are excited and look forward to our new third graders!
